Call for Papers (Special Issue)

Theme: **Planning, Policies and Global Issues**

As we approach the two-thirds mark for the achievement of the Millennium Development Goals in 2015, attention is focused on acceleration of progress and emerging nations need clear policies and plans that emanate from empirical research addressing these issues in order to ensure global development.

On the basis of the foregoing, JournalsBank® Publishing Inc. through **European Journal of Humanities and Social Science (EJHSS)** calls for submission of special papers from diverse areas of academic research to address the issues of “**PLANNING, POLICIES AND GLOBAL ISSUES**” in any form and approach (position paper/ empirical study).

Please visit <http://www.journalsbank.com/sp.htm> for more details on relevant sub-themes.

## **Sub- Themes:**

Manuscripts are welcomed from diverse areas (/discipline) in special fields that require strategic planning and policies for global development. Contributors are encouraged to focus on current global issues in their disciplines.
